

TEAM OUTINGS AT SYDNEY *Blue Sox*

The Sydney Blue Sox are pleased to announce their baseball team ticket options – *Bendigo Buddies*, *Sunday Club Day* and *MyTeam@Sox*.

Each offer has different options and benefits – and we hope you'll find something that will suit your Club for a visit to the Sydney Blue Sox this season!

Bendigo Buddies

Bendigo Bank and the Australian Baseball League proudly present the Bendigo Bank Baseball Buddies program. This program will allow a different junior baseball club to walk out with the Sydney Blue Sox players at each home game when the starting line-ups are called. They will also be able to participate in a Diamond Dash around the bases after the game.

Free tickets will be provided for all Club players and coaches that attend in uniform. Your group will be able to choose between Grandstand Seating or General Admission entry at the time of reserving your spot in the program. You can then purchase discounted tickets for the rest of your group.

Grandstand seating will cost your group \$15 per person (kids 5 & under are free) and you will get a reserved space in the grandstand. Your team will need to appoint one person to coordinate your group's tickets and payments, with final numbers and payment due one week prior to your game.

General Admission entry will cost your group \$8 per person (kids 5 & under are free) and you will have access to the grass area on the 1st base line and the GA sections of the 3rd base stand. You will be provided with a special booking code, and families can book their discounted tickets online or over the phone themselves. The coach need only confirm the number of free tickets required for players and coaches a week in advance of the game.

A Club can have more than one team participate in the Bendigo Buddies program, but the team that makes the booking first will get a special Bendigo Buddies gift on the night.

With only 20 home games in the ABL season there are limited spots available, and we will select teams on a first come, first served basis.

Sunday Club Day

In conjunction with the Bendigo Buddies program, Baseball NSW is sponsoring the Sunday Club Day program. Each Sunday home game (except 7th January due to National Youth Championships), two Clubs will be selected to participate in Sunday Club Day. It will be up to Clubs to select their preferred Sunday to participate and Clubs will be selected on a first in, first serve basis. The available Sundays for Club Day is as follows:

Sunday 19th November @ 1:00pm

Sunday 3rd December @ 12:00pm

Sunday 31st December @ 4:00pm

Sunday 21st January @ 1:00pm

In addition to the Bendigo Buddies program, **the first Club to register for a Sunday Club Day, will be invited to field their Club's Zooka team for a friendly game on the main diamond at Blue Sox Stadium against a Zooka team from a different Club.** This friendly game will take place approximately two hours prior to the Blue Sox game, and families from other teams are encouraged to come along early to cheer their Club on. If the first Club to register for Sunday Club Day does not have a Zooka team, or later decides not to field a team, their spot will be automatically offered to the 2nd club that registered.

All players and coaches of the participating teams will get free tickets to the Blue Sox game. The additional benefit of coming to a Sunday game, is that all other children attending the game will also get free entry.

Grandstand seating will cost your group \$15 per adult (kids 16 & under are free) and you will get a reserved space in the grandstand. Your team will need to appoint one person to coordinate your group's tickets and payments, with final numbers and payment due one week prior to your game.

General Admission entry will cost your group \$8 per adult (kids 16 & under are free) and you will have access to the grass area on the 1st base line and the GA sections of the 3rd base stand. You will be provided with a special booking code, and families can book their discounted tickets online or over the phone themselves. The coach need only confirm the number of free tickets required for players and coaches a week in advance of the game.
